CURRICULAM VITAE (CV)

Bikash Rai

Computer Technician

As a Computer Technician, I possess a strong knowledge of hardware and software systems with the ability to diagnose and troubleshoot complex technical issues. With expertise in operating systems, networking, and security protocols, I have a proven track record of delivering exceptional technical support and ensuring customer satisfaction. I am highly organized, detail-oriented, and possess excellent communication skills, allowing me to effectively collaborate with clients and team members. My goal is to utilize my skills and experience to contribute to a company's success by ensuring their technology systems are reliable, efficient, and secure.
